

CapTel 800

for use with analog phone lines (or DSL with filter)

The CapTel telephone works with a free Captioning Service to provide captioned telephone calls, showing you everything the caller is saying to you.

Features

- Calls you make are automatically connected to a Captioning Service to provide captions.
- Incoming callers dial the Captioning Service first, then enter your phone number, in order for you to get captions.
- Large, easy-to-read captions window with adjustable font sizes and colors.
- Display screen tilts for comfortable reading or lies flat to mount the phone on a wall.
- Adjustable volume control (up to 40dB gain) for captioned calls. Volume button is easy to see and adjust during a call.

- One-touch access to CapTel Customer Service (Speed Dial button automatically connects you to CapTel help line).
- Easy-to-follow menu system with Yes/No questions.
- Phone Book allows you to easily store and dial more than 95 names/phone numbers.
- Speed Dial keys for one-touch dialing of frequently called numbers.
- Caller-ID capable – shows you who is calling directly on CapTel display screen.
