

## **CentralAlert™ Wireless Notification System Model CA-360**

The CA-360 is an all-in-one notification system for your home. It alerts you to the daily sounds in your home such as alarm clock, door knocking, phone ringing, alarm sound from your audio alarms, warnings from your motion detectors and storm warning from your NOAA radio and more\*. It uses a bright built-in flasher, selectable loud audible sound and a powerful bed shaker. There is no installation needed for the CA-360, and all operations are wireless.
