What: A 196 Days Voyage around the world

Date of this report: Saturday, May 11, 2024

Current Location: Khasab, Oman on the Oceania Insignia Ship

Heading To: Dubai, United Arab Emirates

For the past 5 weeks, we have been experiencing high temperatures (89 to 104 F) plus humidity (50% to 80%) as we cruised between the Equator and the Tropic of Cancer. It will be another 3 weeks before we reach the Tropic of Capricorn with the expectation of cooler weather.

Mostly Direct Sunlight the past five weeks and the next three weeks on this cruise!! For us, we will have a very long summer season of 2024, that began in March!

Fun pedicab ride for 1 hour and 15 minutes through the city of Nah Trang in Vietnam!

The Independent Palace (also known as Presidential Palace) in Ho Chi Minh City was the residence of former South Vietnam's President Nguyen Van Thieu and First Lady Nguyen Thai Mai Ann.

In April 1975, the palace was seized by Viet Cong. Now a museum, one can see the tank that was left behind after the fall of Saigon.

The beaches (including China Beach) along Da Nang City were known to be the “R and R” for the American Soldiers during the Vietnam War, particularly the one at My Khe Beach.

The traditional method of fishing used these rattan basket boats, seen at the Tho Quang Beach, north of Da Nang, Vietnam.

The Wat Arun Ratchawararam in Bangkok

The Grand Palace at Bangkok is made up of numerous buildings, halls, pavilions set around with open lawns, gardens and courtyards. Its asymmetry and eclectic styles are due to its organic development, with additions and rebuilding being made by successive reigning kings over 200 years of history. Since 1925, the Royal Family has resided at the Dusit Palace, 5 km away, and is not open to the public.

The Wat Plai Laem, a modern Buddhist Temple, is located on the resort island of Koh Samui in Thailand.

Approximately 300,000 visitors each day at the Jewel Changi, next door to the International airport at Singapore. It is a complex of shops, restaurants, and indoor park that has the world's tallest indoor waterfall.

The 56th floor at the Skypark Observation Deck at the Marina Bay Sands has a grand scenic bird's eye view of the city of Singapore.

Friends Lim and Poh joined us for a steambowl lunch - wonderful having all four of us together !! This was a very unique lunch, new for us! There were two circular boiling pots on the table all set up with a divider: plain water and chicken broth. We ordered Chicken Power lunch set, that included the meat, variety of raw veg, tofu, chicken minced dumplings, vermicelli glass noodles, and leafy vegetable Tang-Oh (also known as Chrysanthemum Greens) !! Delicious !!!!

At Singapore, there are two indoor domed shaped greenhouses, known as the Gardens by the Bay. One is the Flower Dome and the other is Cloud Forest. They are the largest greenhouses in the world. The Flower Dome replicates a cool-dry Mediterranean climate with changing display, flower field and other gardens every 3 to 4 months. The Cloud Forest features an indoor waterfall with cool moist conditions found in tropical mountain regions.

Watched the light show, coordinated with music, at Supertree Grove in Singapore at sunset. These supertrees dominate the Gardens at the Bay's landscape with heights between 82 ft and 160 ft.

At the Chinese Clan Khoi Kongsi in Penang, Malaysia, this temple Leong San Tong is the most pivotal building. It is well known worldwide for its extensive lineage that can be traced back 650 years. This temple is highly ornamented, perhaps the most majestic elaborate structure in South East Asia.

Silent Social at Wegmans

This occurs on the first and third Sundays of each month at 7:00PM in Fairfax Wegmans at the corner of Route 29 and Monument Drive (Upper Level, near the stairs). Registration is suggested. The dates for the Silent Social Chat are June 2 and 16.

The date for HH Lunchtime Social Chat is June 12 at 10:30AM.

For more info, contact Jonathan Kiell at jona3ki@msn.com or see: <https://www.meetup.com/aslbridge/>.

Please come join the very informal chat; the group often includes students and interpreters looking to learn and practice ASL. You can also get your groceries while you are there!
