Smart App Packet

As part of the Virginia Department for the Deaf and Hard of Hearing's (VDDHH) mission to reduce communication barriers it is our pleasure, to present the Smart App Packet. This guide contains a list of apps available to individuals who have a hearing loss and/or speech difficulties.

Some of the listed resources may be accessed free of charge, while others may require fees. VDDHH does not assume responsibility of any fees associated with the resources listed herein. In addition to providing resources to the community as part of our mission, our agency also provides a Technology Assistance Program (TAP) which offers specialized telecommunication equipment and assistive technology to qualified applicants as a solution to their communication needs. For additional TAP information, or to learn more about how to apply, please feel free to contact VDDHH by phone at (804) 662-9502, videophone at (804) 325-1144, or by email at TAP@vddhh.virginia.gov. In addition to the Smart App Packet provided by VDDHH, additional app resources are available from the Federal Communications Commission (FCC) by using the following link, www.fcc.gov/ach

VDDHH also responds to requests for information and referrals regarding a variety of topics related to hearing loss including but not limited to assistive technology, communication methods, captioning, hearing aids, interpreting, telecommunications, and American Sign Language. Please feel free to contact VDDHH by phone at (804) 662-9502, videophone at (804) 325-1290, or by email at info@vddhh.virginia.gov.

We appreciate your interest in the Virginia Department for the Deaf and Hard of Hearing. Thank you for allowing us to serve you.
